

## REMARKS

The Office action transmitted March 19, 2008 has been received and reviewed. Claims 10 and 17-20 are allowed. Claims 3-7 and 13 are objected to. The remaining claims stand rejected. The application is to be amended as previously set forth in an effort to place the application in condition for allowance. All amendments and claim cancellations are made without prejudice or disclaimer.

Generally, the amendments incorporate the elements of the objected to claims into the claims from which they depend in an effort to make them allowable. For instance, the element of claim 3 has been amended into independent claim 2. The element of claim 13 has been amended into claim 12. Non-allowed / non-objected to claims have been canceled. No new matter has been added.

In view of the foregoing, all outstanding rejections should be mooted, and reconsideration is respectfully requested.

If questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,
